

Club  Chermside

2023 CATERING PACK

OUR CATERER

Mouli Catering had been operating at Club Chermside since 2021. When Owner and Operator Glen Withers' eldest daughter was diagnosed with Coeliac Disease, he realised just how big the gap in the market was for safe gluten free dining options. As a chef of 20+ years, he has been involved with a wide range of special dietary needs throughout his career and he decided to fill that gap. Mouli Catering has a wide range of gluten free options within their bistro and catering menu.

We can meet most dietary requirements, please inquire with our team if you can't find something in our menu that suits your needs.
